

CALIFORNIA INSTITUTE OF TECHNOLOGY
INTERNATIONAL FRESHMAN FINANCIAL AID STATEMENT OF INTENT

Caltech admits students on the basis of academic and personal strengths and accomplishments without regard to their ability to meet the cost of a Caltech education. In addition, Caltech is committed to meeting the full-demonstrated financial need of admitted students. In the case of international students, however, the total amount of financial aid funds available is limited. This limitation may result in financial need being a factor in the Institute's admissions decisions for international applicants who are neither citizens nor permanent residents of the United States.

To apply for financial assistance, international freshman admission candidates must submit:

- 1) this form: the International Student Supplemental Form,

AND

- 2) the International Student Financial Aid Application

BOTH forms should be postmarked by the **January 15, 2010 deadline**, and mailed **directly** to:

Admissions Office
MC 1-94
California Institute of Technology
Pasadena, CA 91125
USA

International students whose financial aid applications are not postmarked by January 15, 2010, or who are denied aid for their first year at Caltech, are **not** eligible for aid for any other academic period while they are undergraduates at Caltech. (Citizens of Canada and Mexico may be considered for aid in subsequent years). Those offered assistance for the first year will be eligible to reapply for aid in subsequent years.

Students can visit the Financial Aid Office's web site at www.finaid.caltech.edu or contact the office using the following address and phone number: Caltech Financial Aid Office, Mail Code 110-87, Pasadena, CA 91125, **USA**, Telephone: +1 626 395 6280

In concurrence with the policy stated above, please indicate your intentions by ***signing one of the two statements below***:

- 1) I am applying for financial assistance to attend Caltech. My International Student Financial Aid Application, along with this form, have been mailed directly to Admissions Office, MC 1-94, California Institute of Technology, Pasadena, CA 91125, USA, by the published deadline date of January 15, 2010. I have retained a receipt of mailing and a copy of my financial aid application materials.

I understand that attendance at private universities in the United States can be very expensive. I will not need financial assistance to attend Caltech and understand that if I do not apply for financial aid at this time, I will not be eligible for financial assistance in future years.
